(youngest dau.)	of Black River, S.C., USA Prince Frederick Par, Winyah Sth C., USA	1727, Feb. 2: Will dated. At the time of making his last will he stated that he was "sick & weak in body, but of perfect mind and memory". He willed that his wife should receive "all the neat produce made off [his] plantation" for 2 yrs after his death in repayment of her "Dowry or any prepossions to his estate". He named his wife, Hannah as executrix, along with his "Trusty & well beloved friends Roger Morre Esq., M Gabriel Manigault and M. Henry Perreneau Jr, merchant of Charleston as executors. By his will he left his plantation to be divided in 3 equal parts for his 3 sons, & all the cattle horses, hogs & sheep also to be divided between themwhen they were 21yrs. The slaves were to be divided into 6 shares with a share each to his sons and daughters. The girls were also to get "moderate acomodations out of the profits from the produce of the plantation" at the executors discretion. He willed that his eldest son John should manage the whole plantation from the age of 17 & be "accountable" for the interests of his brothers and sisters, being guided & directed by the executors. His will was recorded 2 yrs later on 1729, Sept. 13 by Ar. Middleton & recorded in the Will Book G 1729-31, p.166. On James death the family would still have been young. After his death, Hannah married William Swinton, 'the surveyor'. NOTE: Since all genealogies of the family refer to " 2 sons and 1 daughter it must be assumed that William, Elizabeth & Margaret all died in their youth. Johnston Linen Factory on the sea front at East Wemyss. He began work as an office boy. 1909, Feb. 19 (Friday): Mickey had now risen to apprentice clerk. An additional duty was to collect the wages from the bank in neighbouring town of Buckhaven every Friday. The value of wages was up to E300. At 10.30am Mickey went as usual to 'Red Craig', the home of 65 years old James Johnston to collect the bank book and cheque payable on order to Mickey for E85. He arrived at the Royal Bank of Scotland in Randolph St., Buckhaven at 11.20am & was served by the accountant, Alex Lawson. His every move was watched by Alexander Edmonstone, a 23 years old carter, formerly from Edinburgh, but now of East Wemyss. Mickey left the bank at 11.30 to catch the 11.45 tram back to East Wemyss. They both left the tram car in Station Road, at the top of School Wynd (a street). Edmonstone caught up with Mickey outside the toilet block in School Wynd forcing him into the toilet and launching a ferocious attack, battering, kicking, choking him. He stuffed Mickey's cap into his mouth, strangling him until he could fight no more and he was dead. Edmonstone then plundered Mickey's pockets taking his watch before he fled with the satchel containing the factory wages. After a prolonged search over the following weeks, Edmonstone was eventually caught, tried, and sentenced to be hung (a).
