That he was married to Margaret Marr is evidenced by the birth of James. Of his 2nd marriage the first 2 proclamations name Marion Swinton, the 3rd names Agnes Swinton and the marriage names Margaret Swinton, however since the birth of the children names Marion Swinton I have settled of her name as correct. Then in 1696 he had a child by Marion Walker less than 12 months after the last child by his 2nd wife Marion Swinton.
