257		SWINTON: CROP CIRCLES (of 1990)				Located near Swinton Kirk, Norham Kirk & Kimmerghame, Berwickshire, Scotland.			The Doons Law pictogram appeared at Leetside Farm, Whitsome in Aug. 1990 (just north of Swinton Village). It consisted of 3 circles connected by 2 alleyways. A compass bearing down the alleyways from the main circle, when extended ran through Swinton Kirk. The second line went through Norham Kirk. & when extended, the arc then passed through Kimmerghame House. It is thought that it is indicating that the 'unknown knight' tomb in Norham is another member of the Swinton Family.			http://alpha.mic.dundee.ac.uk/ft/crop_circles/ 1990/door90.html
